Inter Office Note

Sub: Changing the CIBIL Password periodically

All the Branch Offices have been issued individual CIBIL Accounts (both Consumer and Commercial) to enable them to generate CIBIL Reports of loan applicants. As per the Password Policy of TransUnionCIBIL, the password of any CIBIL Account expires in 90 days. The user of each Account is required to change the password before the expiration period. To assist the users in this regard, when the password is about to expire within the next few days, an alert will pop up every time the user logs in. If the user fails to change the password before its expiration, the Account gets locked.

Therefore, all the BOs are hereby advised to change the passwords of their respective CIBIL Accounts (both Consumer and Commercial) atleast 5-7 days before the expiration of current password. If the password gets locked for not changing in time, the BOs are required to send an email to Nodal Officer from the official mail id of the Branch Head. It may be noted that the BOs cannot reset the password at their end as the mail id linked to each BO's CIBIL Account is an alias Mail ID used by the Nodal Officer and the same cannot be accessed by others. For any assistance/clarification in the regard, Sri Ramesh V, Senior Manager, IT Department may be contacted.

Executive Director-1

To:

All the BMs/AGMs/DGMs of Branch Offices
All the AGMs of Audit Cells

All General Managers – for infn.

Executive Director - II - for information
