Sub: Important Configuration Settings while creating e-Auctions.

While posting e-Auctions on the e-Procurement Portal of Government of Karnataka, among the other relevant details in the e-Auction creation pages, there are two important Configurations Settings, as shown below:

Sl. No.	Configuration Settings	Options Available
1.	Display Last Accepted Bid Amount	YES/NO
2.	Display Rank of the Bidder	YES/NO

It is observed that in one of the BOs, the above Options were set to NO instead of YES, which is treated as a serious lapse. All the Branch Managers/Heads of the Departments at HO are hereby strictly instructed to ensure that the Options indicated above should be set to YES, without fail. Any deviation in this regard will be viewed seriously and the concerned Branch Managers/HoDs at HO will be held responsible for the same. This may be brought to the notice of all the concerned in the respective BOs/Departments of HO.
